STAT

I am distressed at my delay in answering your note of April 8th. Unfortunately, I tucked it in with some already answered correspondence and it came to light only this morning.

Have your step daughter come in and see me and I will turn her over to the proper people to give her a vetting and see if we can use her. I think possibly we can.

I am sending an application form (regrettably complex) which she should fill out and send in as soon as possible.

Sincerely,

Walter B. Smith
